Get Mortgage Ready in 6 months

- Clear your credit cards in full and pay off any amount owing in full every month.

- Do not use your overdraft even if you have an approved overdraft facility. Keep a minimum balance of €500 in all of your bank accounts.

- Ensure that you pay your rent by standing order (rather than cash) and that the narrative “RENT” appears on your bank account each month.

- If you are receiving a gift, ensure this is transferred to you as early as possible.

- Set up a regular savings account for the required amount – MyMortgages.ie will advise you of the monthly savings amount required. Do not make any withdrawals from this account as this will reduce the amount you qualify for.
